## BARGAIN DAY

## MONDAY

FOR the benefit of its many readers, The Washington Times will publish in its Sunday evening edition each week BARGAINS to be found at stores in all sections of the city. Remember these bargains are for Monday shoppers. It is the purpose of the merchants advertising on this page to make every bargain a REAL BARGAIN. Prices in many cases have been cut clear below cost, as an inducement for your patronage.

Remember there will be new bargains every week. Therefore, do not miss this week's bargains—and do not fail to look for those next week.
